About partnership and cooperation

GOSHCHA COUNTY COUNCIL, as a self-governing unit, declares its intentions regarding the continuation of partnership and involvement in the next stages of the project implementation — the construction of a Christian center for medical care and treatment of leukemia in children, on the territory of Goshcha county.

We have taken the following steps:

- A land plot with an area of 1.78 hectares in village Duliby on the territory of Goshcha county was transferred into ownership. The decision of Goshcha county council dated 06/30/2021 No. 814.
- A land plot with an area of 1.8 hectares in village Duliby on the territory of Goshcha county was transferred into ownership. The decision of Goshcha county council dated 12/08/2021 No. 925.
- Permission was given to develop a land management project regarding the allocation of a land plot in village Duliby on the territory of Goshcha county with an area of 0.83 hectares for the construction and maintenance of buildings of health care and social assistance. Decision No. 1475 of Goshcha county council dated 18/02/2022.

- A new town planning documentation for this territory was developed and approved: "Detailed plan of the territory of the land plot with cadastral number: 5621282300:01:001:0204 and its adjacent territories within the boundaries of Duliby on the territory of Goshcha county council ". Public hearings and a meeting of the Architectural and Urban Planning Council were held regarding it, and the conclusions of the authorized state bodies were received. The decision of Goshcha county council dated 02/18/2022 No. 1473 was approved.

We guarantee the assistance of our best specialists, as well as project coordination at all levels of cooperation with Christian Charitable Foundation "Timosha's Smile".
